

Biloxi Marsh Lands Corporation announces the successful completion of the Biloxi Marsh Lands 6-1 Well.

Metairie, La.--(Business Wire)—April 1, 2003--Biloxi Marsh Lands Corporation (Pink Sheets: BLMC) has been advised by its Lessee, The Meridian Resource Corporation (NYSE: TMR) that the Biloxi Marsh Lands 6-1 Well has been successfully completed and was placed on production as of March 15, 2003. The Biloxi Marsh Lands 6-1 Well is currently producing natural gas at a gross rate of approximately 10,000 Mcf per day.

The mineral royalty interest covering the acreage on which the bottom hole of the Biloxi Marsh Lands 6-1 Well is located is owned by the Biloxi Marsh Lands 1 Royalty, LLC. Biloxi Marsh Lands Corporation expects the majority of the revenue derived from production of the Biloxi Marsh Lands 6-1 Well to accrue to the Biloxi Marsh Lands 1 Royalty, LLC.

Biloxi Marsh Lands Corporation owns approximately 89,000 acres of marsh lands located in St. Bernard Parish, Louisiana. It derives the vast majority of its revenue from oil and gas exploration and production activities that take place on or near the company's land. The company also derives minimal revenues from surface rentals. More information about BLMC can be obtained upon request, please contact the company via email, csbiloxi@bellsouth.net
